REOPENING OF PUBLIC COMMENT  
FOR A SOLID WASTE DISPOSAL FACILITY

The Tennessee Department of Environment and Conservation (TDEC), Division of Solid Waste Management (DSWM), has decided to accept additional comments regarding a solid waste disposal facility major modification to the E.I. duPont de Nemours & Company Class II Landfill. E.I. duPont de Nemours & Company has previously requested a major modification for construction, operation, closure, and post-closure care of their existing Class II Landfill for the disposal of iron-rich co-product waste and wastewater treatment ponds' dewatered solids generated at the duPont Johnsonville Plant.

The facility, identified as IDL 43-0087, is located in Humphreys County, north of U. S. Highway 70, approximately 0.5 miles east of the duPont Johnsonville Plant on duPont property, and approximately one (1) mile north of New Johnsonville, Tennessee (latitude 36°02'36" N/ longitude 87°58'10" W). No hazardous wastes, as regulated by the Tennessee Hazardous Waste Management Act (Tennessee Code Annotated, Section 68-212-101, et. seq.) and the Rules adopted pursuant to the Act, shall be accepted for disposal at this facility. The official responsible for operation of the facility is Mr. Ken Klein, P.O. Drawer 219, New Johnsonville, TN 37134-0219; telephone: 931-535-7251.

Following the submittal of new information by the applicant and the public comments that DSWM received from and following the February 6, 2007 public hearing, DSWM has determined to reopen the public comment period pursuant to Tennessee Rule Chapter 1200-1-7-.02(3)(h)1.(ii). Further, DSWM has prepared a revised fact sheet and a response to public comments summary document. Copies of the new information submitted by the applicant, the revised fact sheet, and the response to public comments summary may be viewed at the Humphreys County Public Library, 210 Pavo Avenue, Waverly, TN 37185-1529; telephone: 931-296-2143. These materials are also available for public inspection in the Public Access Area at the TDEC Nashville Environmental Field Office, 711 R.S. Gass Boulevard, Nashville, TN 37243; telephone: 615-687-7000 for local calls, or 1-888-891-8332 toll free.

During the public comment period provided, any interested person may submit written comments on the revised fact sheet and the response to public comments summary. The public is invited to submit comments in writing to: Mr. Mike Apple, Director, Division of Solid Waste Management, 5<sup>th</sup> Floor, L&C Tower, 401 Church Street, Nashville, TN 37243-1535; telephone: 615-532-0780. Comments must be received by 4:30 p.m. CDT on Monday, August 20, 2007, to assure consideration.

Public comments that are received during the public comment period ending on August 20, 2007 will be reviewed before a final decision is made regarding the issuance of a permit for the E.I. duPont de Nemours & Company Class II Landfill. Further, when a final decision is made, DSWM will issue a public notice regarding the permit decision.

The Tennessee Department of Environment and Conservation is committed to principles of equal opportunity, equal access, and affirmative action. Contact the EEO/AA Coordinator at 1-888-867-7455 or the ADA Coordinator at 1-866-253-5827 for further information. Hearing impaired callers may use the Tennessee Relay Service at 1-800-848-0298.

Persons who wish to be on the Division of Solid Waste Management's mailing list should obtain a Mailing List Request form by calling or writing the Public Participation Officer, Division of Solid Waste Management, Tennessee Department of Environment and Conservation, 5<sup>th</sup> Floor, L & C Tower, 401 Church Street, Nashville TN 37243-1535, telephone: (615) 532-0798, email: [solid.waste@state.tn.us](mailto:solid.waste@state.tn.us).
